Clinical Registration Checklist

This checklist is meant to help you start thinking about the clinics offered at HLS generally.

- Students may enroll in one clinic per semester.
- Every clinic must be taken with a course component.
- Clinic registration is for the entire 2014-2015 year.

Helpful advising questions to consider:

- Are you interested in learning particular skills (e.g. litigation, transactional, etc.)?
- Is there a specific area of the law you wish to learn about (e.g. human rights, criminal defense, etc.)?
- How would this clinic complement your other work experiences and benefit your future career plans?

Done? ❖ FIRST STEPS ❖

- Which clinic are you interested in? __________________________________________
- Is this clinic by application or can you register through preferencing? ❑ By application ❑ Available in preferencing
- If by application, when is the deadline to submit applications by? _________________
