III. VOLUNTEER CHECKLIST

As a Class Agent you are responsible for encouraging your selected classmates to make a meaningful gift to the Law School. Your contribution and personal outreach truly make a difference in class participation. To make this an enjoyable and successful fundraising effort, follow the checklist below:

☐ MAKE YOUR GIFT TO THE HLS ANNUAL FUND

Set an example for your classmates by making your gift first!

► Give online at hls.harvard.edu/give.
► For other ways to make your gift, turn to page 5.

☐ CONTACT YOUR CLASSMATES

► Choose 10-20 classmates from your class list to solicit for a gift.
► Use CrimsonLink to make selections, access contact information and suggested ask amounts, and to submit new pledges or notes. For more information about CrimsonLink, see the Quick Reference Guide on page 10.

☐ MARK YOUR CALENDARS

Remember the following key dates during your outreach:

► December 31 – Many people make their charitable donations at the end of the calendar year, so December is a great time to reach out to your classmates.
► June 30 – Harvard Law School’s fiscal year ends on June 30, so outreach in anticipation of this deadline is important to the success of the Annual Fund effort.

☐ KEEP US POSTED

► Please email any updates, questions, or comments to classagents@law.harvard.edu as they arise.
► Use CrimsonLink to enter pledges, update classmate contact information and track your progress.

☐ THANK YOUR CLASSMATES

► We will periodically update you on the status of your selected classmates so you can thank those who have given and continue contacting those who have not.
► This is a meaningful aspect of being a Class Agent and makes a difference in ensuring your classmates have positive interactions with the Law School.
IV. IMPORTANCE OF THE ANNUAL FUND

The HLS Annual Fund is made up of unrestricted gifts received each fiscal year. These gifts are not tied to any specific purpose and are allocated where they are needed most. They give the Dean the ability to address the Law School’s most immediate needs, and ensure your gift has a direct impact on the HLS community. Priorities of the HLS Annual Fund include:

FINANCIAL AID
Today, approximately 71% of J.D. students receive financial aid from the Law School, and 42% receive need-based grants. Financial aid also encompasses Summer Public Interest Fellowships (SPIF) and the Low-Income Protection Plan (LIPP).

HLS is one of only a handful of Law Schools that provide need-based financial aid awards to ensure that all students who are qualified to attend HLS are able to. Our financial aid awards are expected to surpass $18 million this academic year and are an important factor in attracting the top students to HLS.

FACULTY
With 95 full-time professors and more than 200 visiting faculty and instructors on campus this year, HLS has a 7:1 student-faculty ratio.

CLINICAL EDUCATION
There are clinics in over 30 areas of the law and 11 student practice organizations available that provide pro bono legal services to those in need. HLS students have provided over 4.8 million hours of pro bono legal services since the inception of the program.

TEACHING & LEARNING
The Law School combines the breadth of a prolific research institution with the personal connection of the first-year section experience. Along with fundamental law school courses, HLS offers numerous small seminars and reading groups, and more than half of our courses today have fewer than 25 students.

Your annual support is a vote of confidence in the leadership and activities of the Law School. Alumni participation in the Annual Fund unites HLS graduates together for a common purpose: to sustain Harvard Law School’s tradition of excellence.

*As a volunteer, it is essential that you share the importance of the Annual Fund with your classmates!*

EMAIL & LETTER

Dear [Salutation],

I am writing to ask you to join me in making a gift to the Harvard Law School Annual Fund this year. From our time as students to today’s 1L class, the Annual Fund plays a vital role in continuing the Law School’s tradition of innovation and excellence. It also allows HLS to maintain current financial aid levels, fund public service fellowships, and help subsidize faculty research and student programs.

I have set a goal of 100% participation from the XX classmates that I am reaching out to personally this year. I hope you will support HLS with a gift of $XXX. Every gift counts toward and makes a direct impact on the next generation of students to follow in our class’s footsteps.

You can make your gift online at hls.harvard.edu/give, or let me know if you would like to pledge and I can forward it to the Annual Fund team at HLS. Thank you in advance for your support.

Sincerely,

Name
Hi [NAME], can you believe it’s been X years since we graduated from HLS? I am working with the HLS Annual Fund as a Class Agent to invite people to give back to the Law School. We’re focusing on our class’s participation, not on dollars, and I hope you will join me in supporting HLS with a gift this year. You can make your gift online at hls.harvard.edu/give.
VII. KEY POINTS FOR SUCCESS

Please read these points before you reach out in order to make a strong case for HLS. You can use these facts to further personalize your outreach or help answer questions your classmates may have.

*The most successful classmate outreach often includes your personal reasons for making a gift to HLS!*

**WHY GIVE TO HARVARD LAW SCHOOL?**

- Harvard Law School has been able to set the standard for legal education and research due to the generosity of donors.

- Support is necessary to recruit top faculty, maintain cutting-edge research programs, and attract the best and brightest student body regardless of economic background.

- The Law School works to ensure access to our programs and the careers students seek, regardless of their financial positions. While at HLS, students learn rigorous problem-solving skills to use in any arena, anywhere in the world.

- Harvard Law School graduates are not only prominent attorneys, but also judges, academics, novelists, business leaders, consultants, policy analysts, journalists, politicians, international aid workers, and more.

- Provide your own reasons for giving to HLS. Did you have a favorite professor or class that made an impact? How did HLS influence your life? A personal touch may inspire your classmates.
WHY GIVE TO THE ANNUAL FUND?

 Gifts to the Annual Fund are allocated where they are most urgently needed, such as student aid or clinical programs. They are not tied to any specific purpose and therefore can be allocated to our area of greatest need.

 Priorities of the Annual Fund include financial aid, clinical education, and public service.

 Gifts to the Annual Fund have an immediate impact on the HLS community and directly affect students, faculty, and many programs across the Law School.

OTHER HELPFUL INFO:

 Gift amount does not factor into the Annual Fund’s participation rate; gifts of $25, $250, or $25,000 will have the same weight toward participation.

GIFT COUNTING RULES

Harvard Law School’s fiscal year runs from July 1 through June 30 every year.

- All gifts, including matching gifts, received between July 1 and June 30 will count toward this year’s Class Agent Program.
- Pledges do not count toward the program’s total; please follow up with classmates who have outstanding pledges and urge them to fulfill their commitments prior to June 30. This will assist us in reaching our goal.

_These societies are used to thank and recognize our most generous and loyal donors. Encouraging classmates to join either society can be a useful tool when asking them to make a gift._

Langdell Society

Members receive special recognition in our annual Report of Gifts.
