Overview
InternX is a cloud-based software platform hosted on Heroku. We utilize multiple environments to ensure stability of the application. Because the application is cloud-based, we implement auto-scaling for increased network use.

Website URL: app.theinternx.com
Port: 443
IP address for Emails: 168.245.121.97 (please whitelist)

Testing
If you are interested in testing our virtual interview environment, please email contact@theinternx.com with the dates/times you’re available to demo the application. Please notify us at least 2 days before you’d like to test, and give us a 2-3 hour window that you are available.

Front-End
