

Finding Contact Information for Past Clinical Students

Found under the “Public Service” menu item in Helios, the Org Search is a database maintained jointly by the Office of Clinical and Pro Bono Programs (OCP) and the Office of Public Interest Advising (OPIA).

- Use the “Clinic” filter to select the clinic you are interested in finding a past student from:

Helios Org Search

The Office of Public Interest Advising (OPIA) and the Office of Clinical and Pro Bono Programs (OCP) work together to maintain this joint database. The Org Search shows organizations that currently have or have had a connection with HLS. Use the filters on the left to search the database. Enter multiple keywords in the Keyword search box. Add multiple locations by entering them one at a time in the Locations search box. Select any other filters from the drop down boxes. Please contact OPIA (617-495-3108) or OCP (617-495-5202) with any questions or comments.
