

This form must be submitted to the Office of the Registrar to satisfy your Analytical Paper requirement. Students should submit the form as soon as possible after submitting a final paper to your professor, or for Graduating Students, by the final day of Upper-Level exams at the latest.

Student Name: _____ Year: 2L 3L
HUID: _____ E-mail: _____

As outlined in the [Handbook of Academic Policies](#), the Analytical Paper consists of a research paper of at least 20 pages. A substantially complete draft must be reviewed by the instructor and a peer (prior to final submission of the paper); you must both receive and give peer review to satisfy the requirement. Peer review consists of written feedback on a substantially complete draft (prior to the final submission).

1. Please indicate the supervising faculty and term in which the paper was registered:

Supervising Faculty: _____

Term and Year: _____

2. Please indicate which type of enrollment the paper was completed within:
